### **CAO Addresses Entrepreneurs in Kibera**

On April 27, the CAO addressed graduates of the U.S. Embassy sponsored Entrepreneurs' Training Program at the African Health and Community Program office in Kibera. During the training class, students learned how to write a business plan for their existing business and how to expand their business strategically. At the end of the program, the students submitted their proposals to the Embassy for evaluation, and the U.S. Embassy will award microgrants worth a total of 100,000 KSH to the business people with the best proposals.
